

Assurance Guarantee

In addition to the regular factory guarantee, your local Eco Water dealer offers this further guarantee of assurance.

After the purchase and installation of any Eco Water unit, the customer has 45 days from the date of installation to compare this unit with other brands of comparable equipment. If, by that time, said customer can locate better validated equipment of a different brand for less money with as strong of a guarantee from a bona fide Original Equipment Manufacturer that is more efficient by specifications, the undersigned dealer will not only refund customers purchase price, but customer may keep the Eco Water equipment.
